Response to EC Consultation Green Paper Towards a Europe free from tobacco smoke: policy options at EU level
ENSP welcomes the Green Paper – a Europe free from tobacco smoke: policy options at EU level and the opportunity to respond to the consultation.

The European Network for Smoking Prevention is an international non-profit making organization, created in 1997 to develop a strategy for coordinated action among organizations active in tobacco control in Europe by sharing information and experience, and through coordinated activities & research.
